

# JOHN DOE

PO Box 00000 · Durham, NC · 27708 · (000) 555-0000 · john.doe@duke.edu

---

- EDUCATION** **Duke University, Durham, NC** *Aug 2005 – present*  
Bachelor of Science in CHEMISTRY, Pharmacology Concentration  
» Cumulative GPA to date: 3.76
- RESEARCH EXPERIENCE** **Madan Kwatra Laboratory, Anesthesiology, Duke University Medical Center** *Jun 2008 – present*  
RESEARCHER  
» Investigate potential biomarkers for predetermination of risk for post-operational delirium.  
» Analyze relation of delirium to prescription of age-inappropriate medication.  
» Determine changes in gene expression caused by elective surgery.
- Tso-Pang Yao Laboratory, Pharmacology & Cancer Biology, Duke University** *Jun 2006 – Jun 2007*  
RESEARCH FELLOW  
» Established HDAC6 involvement of phagocytosis in RAW 264.7 mouse macrophage cells. Confirmed findings by demonstration of clear phagocytosis inhibition post-administration of HDAC inhibitor trichostatin A.  
» Investigated the potential role of HDAC6 in clearance of misfolded, aggregated proteins.  
» Received \$3,300 in funding from the Howard Hughes Medical Institute.
- Ross A. Widenhoefer Laboratory, Chemistry, Duke University** *Feb 2006 – May 2006*  
RESEARCH ASSISTANT  
» Synthesized, purified, and analyzed various substrates for use in organotransition metal catalyst applications.
- Eye Center & Center for Human Genetics, Duke University Medical Center** *Jul 2004, Sep 2007 – Jan 2008*  
RESEARCH ASSISTANT  
» Assisted in ascertaining relation of age-related macular degeneration to dieting, genetics, lifestyle, and other dimensions. Managed and updated clinical databases.  
» Investigated missing patient information and loss of communication. Developed clinical packets.
- CLINICAL EXPERIENCE** **Emergency Medicine Research, Duke University Medical Center** *Jun 2008 – present*  
INTERN  
» Screen, consent, and enroll patients into various emergency medicine clinical studies.
- International Patient Center, Duke University Medical Center** *Jul 2008 – present*  
INTERPRETER  
» Translate for Mandarin-speaking patients.
- Intensive Care Unit Waiting Rooms, Duke University Medical Center** *Jan 2008 – Apr 2008*  
LIASON & ADVOCATE  
» Accomodated visitors in ICU waiting rooms. Took phone messages, checked on patient conditions, acted as liason among visitors, patients, and staff.
- Shadowing at Duke University Medical Center** *Jul 2004 – present*  
» Eric Postel, MD; John F. Rhodes, Jr., MD.
- PEDAGOGY** **Chemistry Department, Duke University** *Aug 2007 – present*  
TEACHING ASSISTANT  
» Teach laboratory components of Organic Chemistry I and II.  
» Well-recognized among students. Extremely high return rate of students for second semester.
- Raising Interest in Science Education, Duke University** *Aug 2007 – May 2008*  
WRITER  
» Developed a companion teacher's manual for a 3D interactive simulation of ethanol metabolism in the Duke Immersive Virtual Environment (DiVE).  
» Received \$350 in funding from Duke Undergraduate Research Support.

*(over, please)*

- LEADERSHIP & ACTIVITIES 同德 (Tong-De) Daoist Foundation *Aug 2003 – present*  
HEAD OF ADOLESCENT AFFAIRS; CHORAL CONDUCTOR; LECTURER, TRANSLATOR
- » Prepare curriculum for and lead adolescent seminars.
  - » Established choral group. Conduct rehearsals and performances.
  - » Translate lectures from Mandarin Chinese to English. Liason for English speakers.
  - » Provide technical support.
- Infinite Zero** *Mar 2007 – present*  
FOUNDER, WRITER, TRANSLATOR, WEBMASTER
- » Established [infinite0.com](http://infinite0.com), a gateway and forum for philosophical thought and debate, a venue for the whys and hows of self-improvement.
  - » Facilitate discussions. Translate such Chinese classics as the 道德經 (Dao De Jing).
- Alpha Phi Omega National Service Fraternity** *Dec 2005 – Sep 2006*  
HISTORIAN, MEMBER
- » Tutored residents of TROSA (Triangle Residence Options for Substance Abusers).
  - » Tutored elementary school children at the John Avery Boys and Girls Club.
- PlanV** *Aug 2006 – present*  
WEBMASTER, MEMBER
- » Make website revisions for PlanV, a Duke campus organization for vegetarian dieting.
- GRANTS & HONORS
- » \$3,300 from the Howard Hughes Medical Institute for summer research fellowship.
  - » \$1,000 academic scholarship from Sunrise Senior Living.
  - » \$350 from Duke Undergraduate Research Support for printing of self-authored teaching manuals.
  - » Dean's List, *Jan 2006 – present*.
- SKILLS
- » Fluent in **English** and **Mandarin Chinese**. Proficient at listening and understanding **Taiwanese**.
  - » **Clinical skills**: informed consent, explanation of complicated medicinal science, bedside manners.
  - » **Chemical laboratory techniques**: mass spectroscopy, infrared spectroscopy, nuclear magnetic resonance spectroscopy, gas chromatography, column chromatography, thin layer chromatography, rotary evaporation.
  - » **Biological laboratory techniques**: cellular immunofluorescence, confocal microscopy, Western blotting, DNA amplification, protein extraction, polymerase chain reaction, gel electrophoresis.
  - » **Lifeguard** Certification, American Red Cross (2003).
  - » Perfect pitch.
- INTERESTS Daoism, philosophy, pantheism, political activism, wholistic fitness, swimming, vegetarianism, new age piano, singing, personal projects, calligraphy, translating Chinese classics, efficiency, conservation.
